Our President

President Frank B. Branch, serving his sixteenth year as chief administrator, has succeeded in making Holmes Junior College a landmark of quality education in Mississippi. Having dedicated himself to the job of building, shaping, and developing Holmes into a more efficient school, no task is too large nor is any activity too small for President Branch to attempt. Due to his dedication to Holmes Junior, through the years he has won the admiration and respect of the students he has served; and this year is no different. He is looked upon by the students not only as the president but as a close and trusted friend. Mr. Branch is not a man to rest upon laurels. Everyday is filled with his task of making Holmes Junior College a better place than it was the day before.

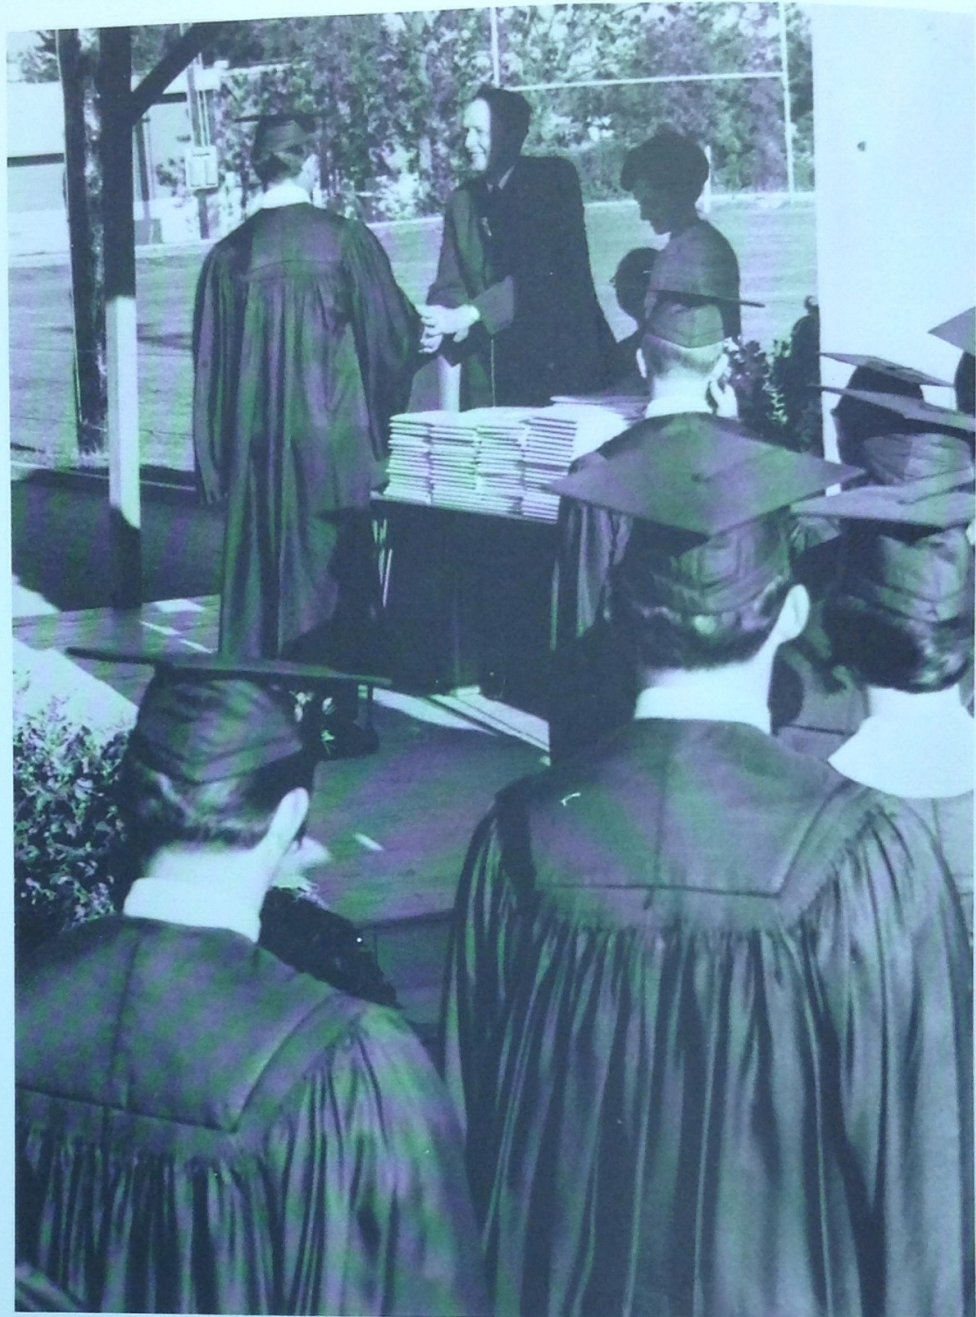

The Horizons' staff takes pride in dedicating this book to a person who has given thirteen years of service to Holme Junior College. By giving generously of his time and wisdom, he has inspired thousands of students to a deeper understanding of life. We are impressed by his loyalty and sincerity. He has given us vision and inspiration. A man devoted to his family and his profession, we have learned by his example. Our deep regard for Mr. W. Y. Sudduth is expressed by this dedication.

In Dedication

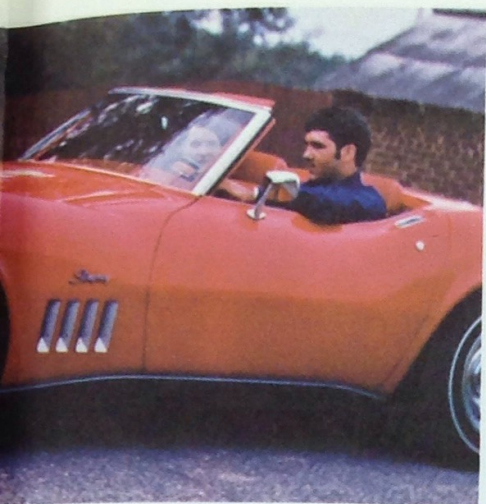

STUDENT LIFE

After the maddening rush of registration and the chaos of new classes, Holmes Junior College students finally found a moment to take a deep breath and an inquiring look around at their new home. They began to greet old friends and meet new ones; they found football games, organizations, dances, and free hours of leisure in the can; and they learned that Holmes Junior is as good as they are willing to make it. Thus, with the ringing of bells in the halls, the scuffling of feet in classrooms, and the blaring of music in Lorange Center, Holmes Junior College awoke once more to the dawn of a new year.

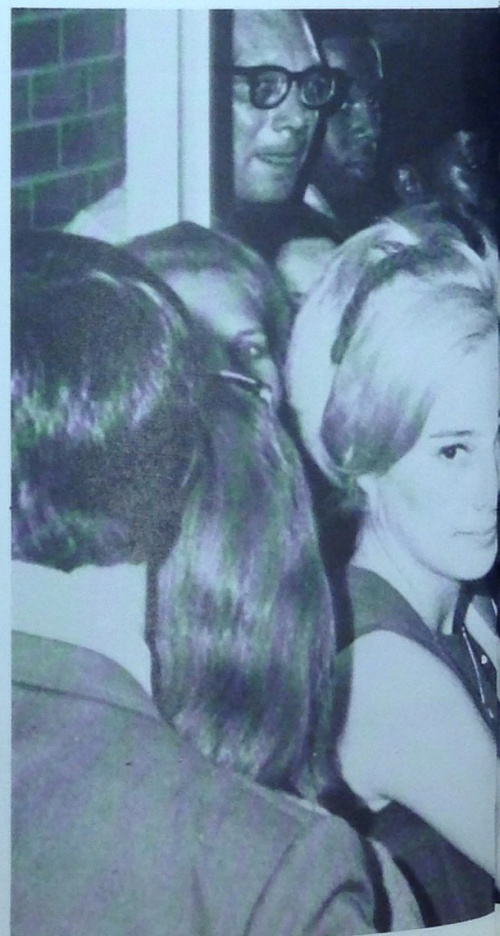

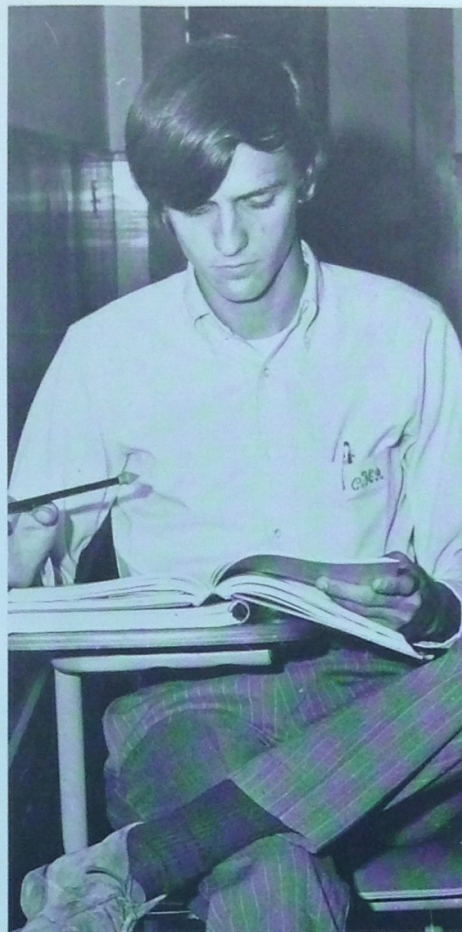

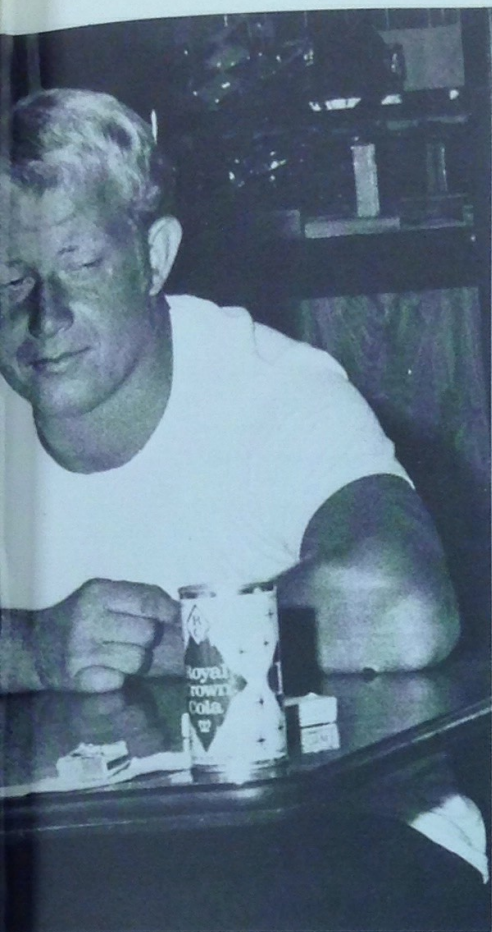

The life of the Holmes Junior student is filled not only with books, but also with hours of leisure. Whether spent preparing for the next days classes or relaxing in the Student Center, life at H.J.C. is never inactive. Card games, dances, or ballgames bring to each person a sense of being a true student of Holmes Junior College.

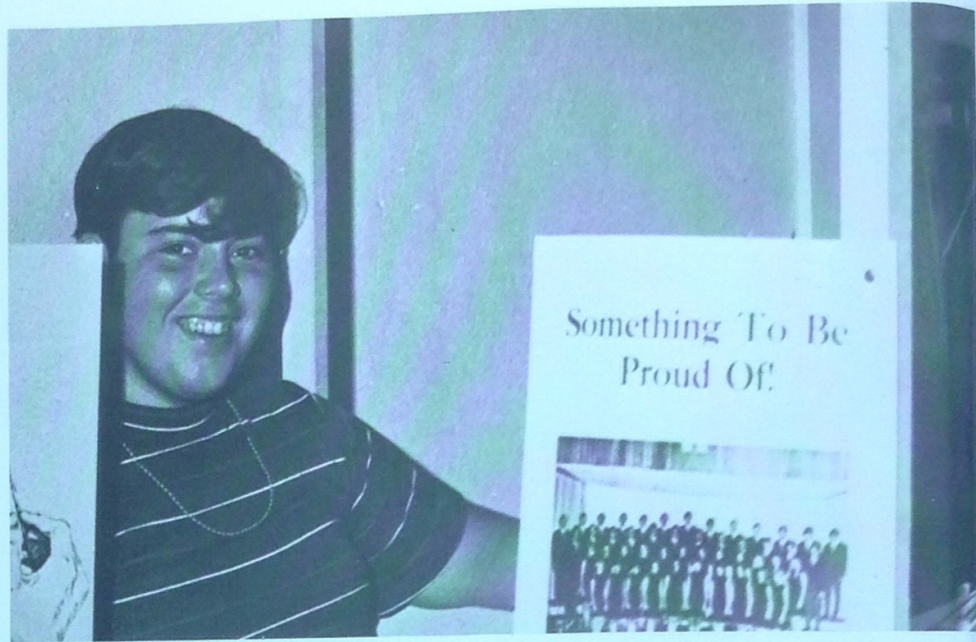

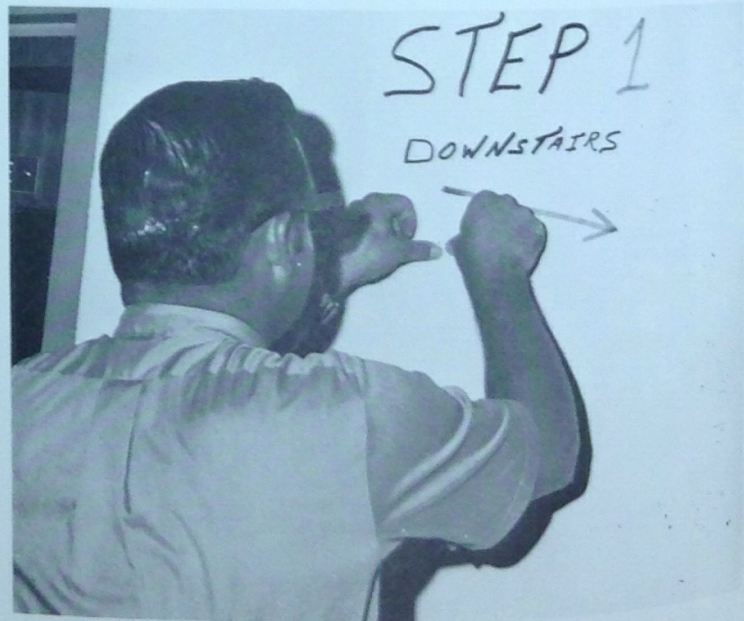

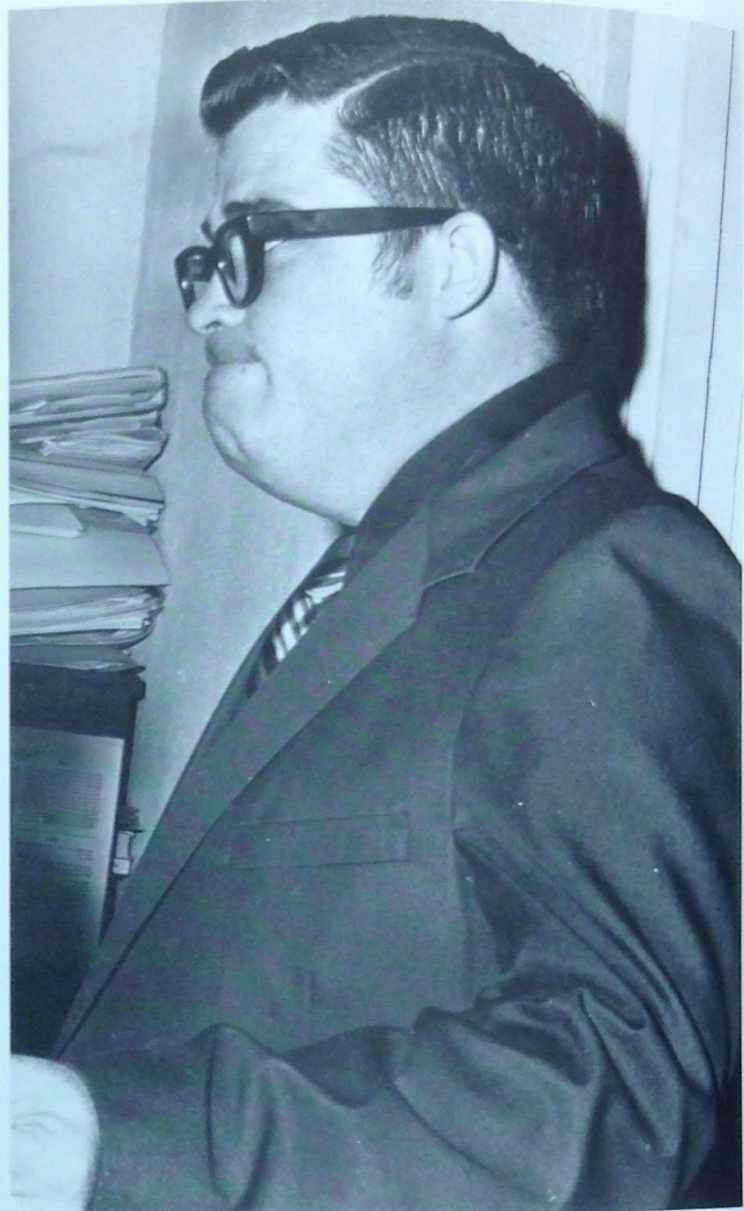

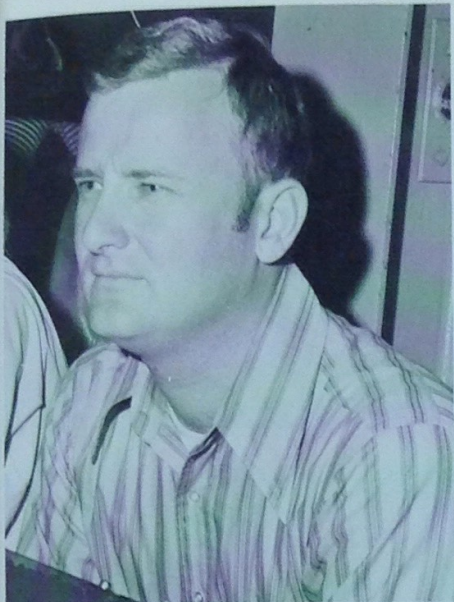

Administration, Faculty, and Staff

Dedicated to the task of training, assisting, and leading students to the fullness of a successful future, the administration, the faculty, and the staff are the axis around which Holmes Junior College revolves. Unlike the student who enjoys the pleasures of free hours in Lorance Center, the executives' jobs continue even after the final bell of the day has sounded.

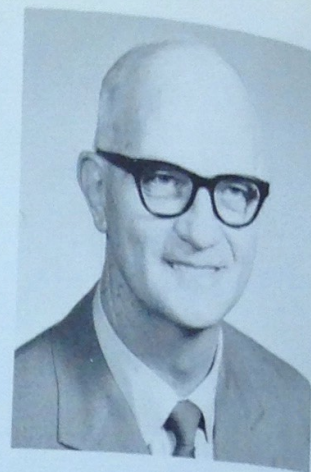

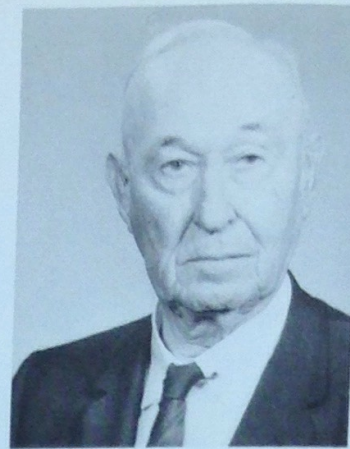

Noted for pride and integrity, the administration, the faculty, and the staff all bend their efforts toward graduating in their sophomore year better developed, well-rounded students than the same ones were when they arrived as freshmen. Working together, these three groups present knowledge in all fields of endeavor.

The jobs of the members of these elite groups are not simple or easy. Often called upon to work at ballgames, chaperone at dances, and teach night classes, these people still find time to be mothers, fathers, and people - beautiful people!

CLASSES

Faced with an entirely new life, the students at Holmes Junior College had many varying ideas as they arrived in September. Some were eager to learn - others were just here because college seemed to be the next step toward adult life. Looking back with vivid memories of themes, term papers, and formaldehyde, the students not only gained knowledge from others, but also through daily decisions, shaping the mold for their future.

FEATURES

Each person who bravely
fights his way,
Who tackles problems
with a vim,
Adds just a little to
the strength
Of all those
coming
after him -

To an outsider looking
in, these people may
seem insignificant, but
we at HJC know they
deserve to be featured.

Mr. and Miss H.J.C.

Danny Sibley of Bentonina and Shirley Ray of Ackerman were chosen by student voting as Mr. and Miss HJC. Both have been active in campus activities as freshmen and sophomores.

Mr. and Miss Holmes Junior College

MR. DANNY SIBLEY

MISS SHIRLEY RAY

Homecoming 1970

Climaxing the 1970 homecoming was the game with the East Central Warriors and the coronation of the Queen Shirley Ray. Shirley's court included: Debbie Oswalt, student body maid; Linda Sue Corley and Anne Herbert, sophomore maids; Glo Harper and Mary Lee Jones, freshman maids. The Holmes Junior College band preceded the royal presentation in a half-time musical performance. Highlighting this special event was the traditional homecoming dance held in the Lorange Student Center.

Students representing Holmes in the current years were chosen by the faculty and are among the nation's most outstanding campus leaders. Members are named on the basis of academic achievements, leadership in extra curricular activities, citizenship, service to the college and promise of future usefulness. A biography of college and personal achievements of each student will be listed in the index under the college from which he was nominated.

Football '70

Under the bright lights of Ras M. Branch Field thousands of spectators had assembled to witness the unveiling of the Holmes Junior College fighting football teams. With high hopes for a good season these fans watched with pleasure as the Bulldog defense mauled the Hinds Eagles and the offense clicked up and down the field. The Bulldogs, blocking two punts in the end zone and returning one for sixty yards, were in complete command of the game. Warren Carter, the flashy freshman, brought the screaming fans to their feet time and again as he carried the ball.

The following week the Dogs again proved their superiority over a sister Junior College. The foe for the Dogs, Northwest, watched their first quarter lead of seven points become meaningless as the Dogs amassed a twenty-one point rally in the second period. Late in the second half the surging Dogs fought off a gallant come-from-behind effort by Northwest and the final score stood 28-25. The antics of Jerry Braswell and Buster Hudson had been outstanding and just too much for the Northwest eleven.

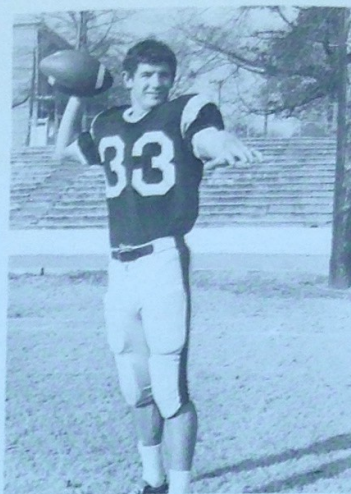

October 1 and the Dogs, undefeated after two brilliant contests went to battle again. East Mississippi invaded the Holmes campus brandishing a good record and a high scoring offense.

ASSISTANT COACHES
Quimby Morgan
Clint Tompkins

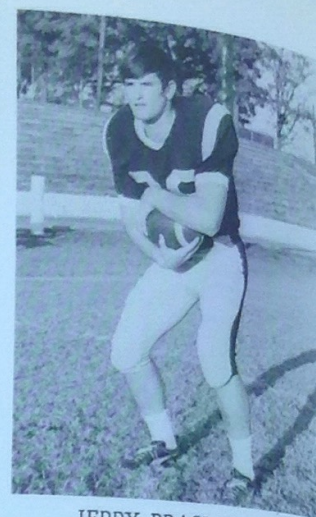

The Holmes Bulldogs, fresh from two wins, and an open date the preceding week, discovered, much to their disappointment and their fans disillusionment, that the razor sharpness of their offense had been lost. Defeated by a good team from East Mississippi 45-7 was disheartening, but the Dogs fought savagely all the way. The lone tally by Holmes came on a one yard dart by Buster Hudson.

On the road again the Dogs traveled to Mississippi Delta where the boys from the flat lands handed them their second defeat. Leading at the half by one point, 10-9, the Dogs were completely baffled at the way the pigskin bounced. Losing four fumbles, the Dogs were never able to surmount a sustained drive. The final score, Delta 19 - Holmes 10.

To the Gulf Coast to play Perkinston the Dogs rolled, their record an even two wins and two losses. Outscored but not outclassed the Dogs for the third time in three weeks stumbled. Although Perk slipped by the Dogs 28-25, Holmes showed Terry Ellis for the first time. Slipping across Perks goal line three times was not enough to defeat them, but it made the outlook for the future a little brighter.

Homecoming proved to be another unsuccessful night in the 1970 Bulldog campaign as they could only tally 14 points in comparison with East Centrals 28. Hudson and Pepper scored the Bulldogs six pointers with the reliable toe of Roger Willis adding both extra points.

Game number seven and the Bulldogs entertained Co-Lin on the Holmes gridiron. Jumping to a quick seven to nothing lead on a run of one yard by fullback Jimmy Weems, the Dogs failed to register again. However, much to the disappointment of the Bulldog fans, Co-Lin was not so unfortunate as they tacked fourteen points to their side of the board. Final score 14-7.

And then there was Itawamba. Another new talent was unveiled for the Dogs at Fulton, as Robert Felton slipped past the Itawamba defenses on a one yard dart. Jimmy Weems, only a freshman, scored Holmes other TD on a 10 yard scamper. However, once again the Dogs were low on the score of 24-14.

Northeast and the Dogs were hungry for victory. An inspired Holmes Junior football team finally put it all together and raced for score after the score against the bewildered bunch from Northeast. Buster Hudson tallied twice on runs of seventy and five yards, but it was the ninety-five yard kickoff return by Warren Carter that was electrifying. The Bulldogs held Northeast to only six points while collecting a season high thirty-eight for themselves. Sic 'em dogs.

Under the cover of rain and wind the Pearl River team came to the Holmes campus to end the Bulldog winning streak at one game. Jimmy Weems scored the only touchdown for the Dogs on a two yard sloss through the mire. However, the boys from Pearl River must have played in the swamps all their lives as they tacked up 31 points for their side. But just wait 'til next year.

The Bulldog team, headed by Coach Bennie Kimble in this first year at Holmes, played a twenty-three game schedule during the 1970-71 season. Playing many freshmen ballplayers, the Bulldogs were hampered by lack of experience, but not by lack of spirit. Competing against more experienced opposition, the Bulldogs exemplified their dedication by fighting until the end of the games - whether they won or lost.

Basketball

Overcome in the season opener, the Dogs bounced right back to grab the next two games by large margins. The fighting Dogs, even in defeat, brought prestige to the Holmes campus by the sportsmanship, dedication, and pride with which they played. Even in the face of the stiffest competition the Dogs never gave up. Hinds, a strong team in the Junior College circuit, discovered this Bulldog stamina in the season final as they eked out a two-point win over the Dogs. Many other teams felt the sting of the Bulldogs' desire as they fell to our young team. Displaying much ability, the fighting five of Holmes improved during the season and plan for a big season next year.

Coach
Bennie Kimble

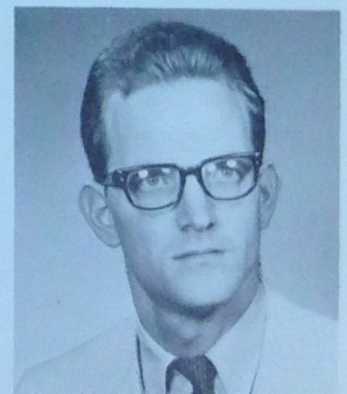

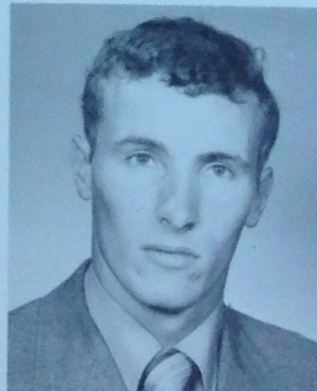

The Maroon and White battled nine wins against fourteen losses, many of which were by very slim margins. Individuality had no place on the team as Coach Kimble impressed team work, and under pressure the hardwood five worked like a smoothly running machine, passing, shooting, and dribbling with precision. The basketball team, dedicated to victory, worked many hours in their attempts to unfold a winning season.

Track '70

The 1970 Thinclads of Holmes Junior College proved to be one of the strongest points in the Bulldog athletic program. Individual as well as team performance by the Holmes' Speedsters meant victory in every meet in which they participated. Their success sent many opponents to disappointment and defeat. The Bulldogs appeared to thrive on competition and the second place finish in the state, although an outstanding feat, was somewhat of a disappointment to a team which was synonymous to victory.

The talents of individuals such as Woody Simpson, who broke a record of thirty years standing in the high hurdles at the state meet, and Novice Adams, who also set a new record in the pole vault, brought lucrative results to the Bulldog Tracksters.

Baseball '70

Holmes Junior's 1970 Baseball Team, playing one of the more difficult schedules in the Junior College Loop, completed the season with only two victories. However, this record fails to show the hard work and determination that each member of the Bulldog Team exhibited during the season.

Tennis '70

The Bulldogs' young Tennis Team of 1970 could be perhaps one of the brighter spots of H.J.C.'s athletic program. Under the guidance of Coach Robert Garrison, Holmes began a fine season with a 4-0 victory over Northwest. The next victim of the Bulldog Netters, Hinds Jr., also fell by the score of 4-0. Holmes' final tournament featured a rematch with Northwest; and once again, the Bulldogs came away with an easy win.

ORGANIZATIONS

As a vital part of campus life, the organizations provide unlimited opportunities to the students to assume responsibility by developing leadership or just being involved. The wide range of areas makes it possible for every student to find at least one organization of interest to help develop him into the type citizen he hopes to be.

Student Government Association

The SGA at Holmes Junior College is a service organization whose primary function is to represent the student body on various committees and to promote student activities. The organization consists of five officers (3 sophomores, 2 freshmen), 4 representatives from the sophomore class and 5 representatives from the freshman class. All these are elected by the student body.

Specific duties include:

1. Sponsor student body dances.
2. Assist with homecoming activities in cooperation with faculty.
3. Provide flowers for homecoming court.
4. Assist the faculty in drawing up student rules and regulations.
5. Two representatives serve on women's discipline committee and two on men's discipline committee.
6. Supervise campus elections.
7. Serve as a screening committee for student grievances.

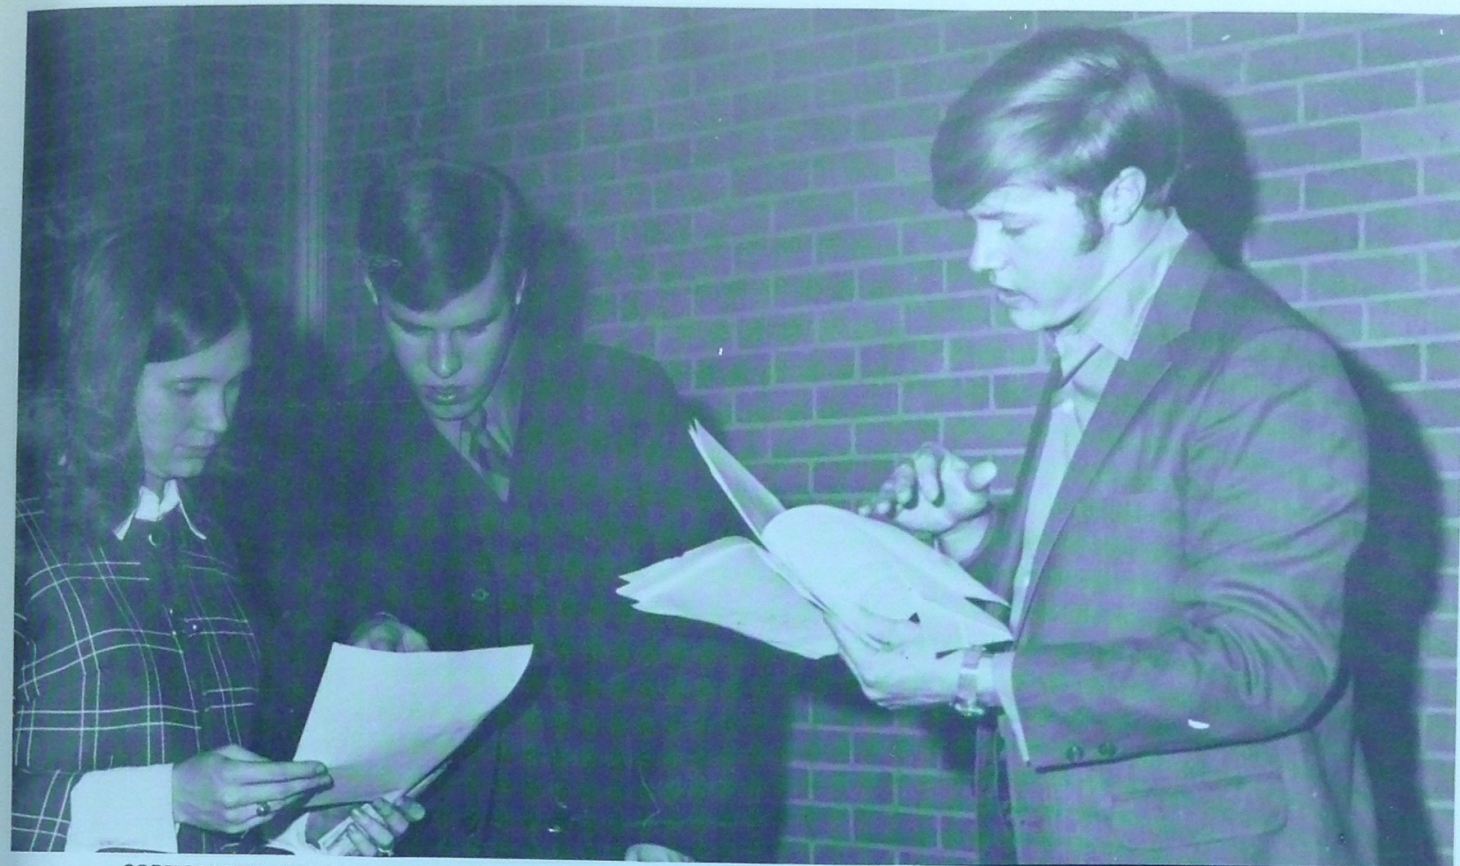

The SGA is a charter member of SCAM (Student Council Association of Mississippi Junior Colleges).

SOPHOMORE REPRESENTATIVES: LEFT TO RIGHT: Martha Nottenkamper, Bob Gerrard, and Tommy Cottom.

FRESHMAN REPRESENTATIVES: LEFT TO RIGHT: Wayne Polk, Joy Durham, Sparky Belote, and Tommy Nolan.

Women's Council

The Women's Council was organized to help the women students, as well as the faculty and administration, with problems that arise as a part of campus life.

It is the earnest desire of every Women's Council officer and representative to better serve the women students of HJC.

ACTIVITIES

The year 1970-71 will come to an end, but the memories that were born during this period will long live in the minds of the students of Holmes Junior. To the members of the choir, the trip to Florida will be a memory of a time when they were representing the school with excellent performances. THE GROWL, kept apace with the events of the year on campus and reported to the student body all news of interest. Marching with precision and playing with a quality that was second to none, the Holmes Marching Band will also remember the year for their boost to school morale. REFLECTIONS of the year were represented in a literary magazine which reiterated the beautiful moments of this golden era and HORIZONS will remind students of their days on the Holmes Junior College campus.

Holmes Junior College has produced one of the finest concert choirs in the state in the past years and 1970-71 has been no different. Under the tireless direction of Mr. Foster Hollingsworth, the Concert Choir has been most effective in promoting the cause of Holmes Junior College. To perpetuate its program, the choir has represented the school in the nine county area and also has traveled the length of the state presenting to Ole Miss. Southern, and several other institutions, concerts that were beautifully given and well received. To reward the members, a tour to the state of Florida was given where the singers proudly represented our school before large audiences. The choir is a tribute to our school and a symbol of excellence.

The instrumental department, under the direction of Mr. David Young, is committed to training young musicians by offering them the opportunities to cultivate their talents and to represent Holmes at parades, concerts, and ballgames.

Believing that musicians are developed through the efforts of the instructor, Mr. Young devotes many hours a day to the different divisions of instrumental work. Hard work and long hours by the students who participate have created an instrumental department that is strongly supported by the faculty and students.

Horizons Staff

The HORIZONS of 1970-71 has attempted to place this year in words and pictures, thereby, preserving the memories for years to come. A task of this size would be impossible, without the combined efforts of the staff. The elegance of the beauty pageant, the excitement of the gridiron and the basketball court, the mysteries of Who's Who, and the different organizations which held activities for students are gone - but due to the work of the yearbook staff these memories will never be forgotten. Hard work teamed with hours of careful planning went between the covers of the HORIZONS. It is the hope of the entire staff that 1970-71 will be a beautiful memory to all students who attended Holmes Junior College.

Horizons

In the previous pages, you have viewed a pictorial summary of the happenings at HJC in the year 1970-1971. We have endeavored to include as many phases of college life as possible. In the years to come if these pages remind you of both the enjoyable and less enjoyable days of this college year, our aim will have been achieved.
